

# The Garage Car Park Terms and Conditions

---

Please read these Terms and Conditions carefully. They relate to your use of our car parks.

## 1. Definitions

When the following words are used in these Terms and Conditions (the “**Terms**”), this is what they will mean:

- 1.1 “**us**”, “**we**” and “**our**” means Peel Media Limited or one of our associated group companies.
- 1.2 “**ANPR**” means Automatic Number Plate Recognition;
- 1.3 “**Car Park**” means the parking facilities in the building managed by us and designated for parking vehicles;
- 1.4 “**vehicle**” means any vehicle used to convey passengers or items that enters the Car Park, including any mechanical device on wheels or tracks, its equipment and accessories; and
- 1.5 “**VRM**” means Vehicle Registration Mark.

## 2. Our liability to you

- 2.1 We must operate the Car Park with reasonable skill and care (“**our obligations**”). If we do not, we are **only** responsible for direct loss or damage you suffer as a foreseeable result of our breach of our obligations or our negligence or the negligence of our employees.
- 2.2 We do not exclude or limit in any way our liability for death or personal injury caused by our negligence or the negligence of our employees, agents, or subcontractors.
- 2.3 We do not guarantee that there will be any vacant parking space at any time. Season tickets do not entitle the ticket holder to a particular space or priority over any other user. We will do our best/use our reasonable endeavours to keep enough spaces reserved for season ticket holders and pre-book customers but cannot guarantee this at all times. If you are unable to find a space, you should leave the Car Park as soon as possible to ensure you do not incur a tariff for parking.
- 2.3 Although we owe you the obligations set out at clauses 2.1 and 2.2 above, you should be aware that the Car Park is open to the general public. We cannot guarantee that members of the general public will not enter our Car Park and cause damage to property and/or engage in criminal activity. Accordingly, you

park your vehicle in the Car Park at your own risk. We cannot and do not guarantee the security of your vehicle and/or its contents.

2.4 We will not be liable to you for any special, indirect, or consequential loss, including but not limited to: any loss of profit, loss of enjoyment, loss of revenue, loss of data or loss of earnings.

### **3. Tariff**

The parking tariff payable by you (as varied from time to time) is displayed on the tariff board at the Car Park and on our website. You are obliged to pay the parking tariff and to comply with any instructions on the tariff board as supplemented by these Terms, and failure to do so may result in us issuing you with a Parking Charge (please refer to clause 5 (Parking Contraventions) of these Terms).

### **4. Claims and complaints**

4.1 If your vehicle sustains damage while in the Car Park, your vehicle is stolen or any possessions are stolen from your vehicle while it is in the Car Park you should:

- a) immediately inform either a member of staff at the Car Park or otherwise notify our Car Park Team on 0161 855 6430.
- b) in the case of theft, immediately inform the police; and
- c) notify your insurers promptly.

4.2 Any claims against us or complaints about the service you have received, should be addressed to The Car Park Team, Level 2 The Garage, MediaCityUK, Salford M50 2TG. In the case of a claim, full details should be provided to us as soon as possible.

**Before submitting a claim, please refer to clause 2 (Our liability to you) of these Terms, which set out the extent of our responsibility to you in relation to any loss.**

### **5. Parking Contraventions (Are all the contraventions we use covered?)**

5.1 It is important for the effective management of the Car Park that:

- a) you comply with all signs and markings in the Car Park, including these Terms and the tariff board.
- b) you park fully within the limits of a marked bay and do not straddle bays or block the flow of traffic through the Car Park.
- c) if you are parking a motorcycle, you only park the motorcycle within the area designated for motorcycle parking and not in any other bay.
- d) you do not park within a bay designated for a specific purpose when you are not entitled to do so, for example, and without limitation:

- i) parking in a space designated for blue badge holders without clearly displaying a valid blue badge.
  - ii) parking in a space for electric vehicles when you are not using the charging facility or are not an electric vehicle.
  - iii) parking in a signed reserved space.
  - iv) parking in a signed space reserved for car wash or cleaning services unless you intend to benefit from those services.
  - v) parking in a space reserved for vehicle hire companies.
- f) you do not park in a reserved or restricted area (including any hatched areas) of the Car Park or any other area other than a marked parking bay; and,
- g) you pay all amounts due for your parking and comply with the requirements set out at clause 10 (Ticket Types and Payment Methods) of these Terms including but not limited to ensuring you do not exceed the amount of time purchased on a Pay and Display ticket or a Pre-Book purchase.

5.2 If you do not comply with these requirements, we may issue you with a Parking Charge requiring you to pay any unpaid parking charge(s), together with an additional amount representing an estimate of the additional expenses we will incur as a result of your non-compliance (including without limitation debt recovery costs) (the “**Parking Charge**”). Please also refer to additional signage relating to Parking Enforcement.

5.3 Details/information relating to how to pay the Parking Charge, deadlines for payment, what will happen if you fail to make payment within the stipulated deadline, and the appeal process will be set out on the Parking Charge.

5.4 By parking your vehicle in the Car Park you consent to us capturing, using and processing your VRM and personal details via CCTV and ANPR for enforcement purposes, to calculate the relevant parking tariff (if applicable) and to recover any outstanding Parking Charge. This includes our or our designated representatives right to request and obtain the details of a vehicle’s registered keeper from the DVLA.

5.5 If the Car Park and/or the equipment in the Car Park is damaged by you, your vehicle, its contents or the passengers in the vehicle then, except where the damage arises as a direct result of our negligence, we will seek to recover the cost of that repair and associated administration costs from you.

## 6. **Security of your vehicle**

6.1 Unless asked by our employees or agents not to do so in the case of emergency, please ensure that your vehicle is left securely locked with the handbrake on, all windows securely closed and any vehicle alarm, steering lock

or similar device fitted is engaged. We are not responsible for any consequence or loss arising from a failure by you to properly secure your vehicle.

6.2 We may install CCTV cameras in the Car Park at our discretion to assist in its proper running. Whilst the cameras may act as a deterrent to criminal activity, we do not make any representation as to the coverage provided or guarantee of the security of your vehicle if CCTV is installed in the Car Park.

## **7. Possessions**

**7.1 Any possessions left in a vehicle are left entirely at the owner's risk.** We suggest that no items are left so that they are visible from the outside of the vehicle. We are not liable for any theft by third parties from your vehicle. Please ensure that you do not leave any animals in your vehicle.

7.2 None of our employees or agents have any authority to accept any of your personal possessions for storage or security.

## **8. Safety in the Car Park**

8.1 For safety reasons you are not entitled to remain in your vehicle in the Car Park or elsewhere in the Car Park except for the purposes of parking or removing your vehicle. After you have parked your vehicle, you must proceed immediately to the nearest passenger lift, staircase or exit, following the recommended route (if any). You must not, in any circumstances, exit the Car Park by walking under or around a vehicle exit barrier or non-designated exit from the car park.

8.2 You must drive carefully and responsibly in the Car Park and in accordance with any instructions given to you by our employees or agents.

8.3 You must ensure that any children or animals are accompanied and properly supervised at all times when they are using the Car Park. Please be aware of other vehicles in motion around the Car Park.

## **9. Ticket Types and Payment Methods**

9.1 Any ticket issued by us (including season tickets) is only valid for the vehicle in respect of which it is issued. Other payment methods including the MediaCity App only authorise parking in respect of the vehicle(s) against which the account is registered. Tickets and other payment methods are not transferrable to any other person or vehicle.

9.2 Where you are using a payment method other than a ticket issued at the Car Park including but not limited to the MediaCity App or a season ticket, you also agree to the terms of that particular payment method.

9.3 You must, depending on the payment methods available and in operation at the Car Park pay the parking tariff using one of the following methods (unless you have pre-booked in accordance with clause 10.4, or you are Season Ticket Holder in which case clause 10.5 will apply):

- a) **“Pay By App”** – you must register an account and use the “Pay By Mobile” service provided by the relevant service provider in accordance with its terms and conditions. You must purchase the amount of time for which you would like to park prior to leaving; or
- b) **“Pay On Foot”** – you must take a ticket on entry to the Car Park. When you leave, you must insert the ticket into the pay on foot machine/exit column and make payment for the time spent as indicated using cash, debit/credit card or via the MediaCity App. The ticket should then be presented on exiting the Car Park to evidence proof of payment.
- c) **“Account Based Payments”** – you must register your contact and payment details either online or by telephone, as applicable (information is available on our website [www.mediacityuk.co.uk](http://www.mediacityuk.co.uk)). We may recognise your vehicle’s movements entering and exiting the Car Park by ANPR technology and monitoring your vehicle’s VRM. This information is used to calculate the parking tariff charges that you owe for a particular parking session. Once you have used the Car Park, payment is automatically deducted from your account; or
- d) **“MediaCity App”** – by registering a MediaCity App account you will either have been provided with a card or access to a mobile app each of which displays a code. You will need to scan the code on entry and exit from the Car Park and these entry and exit times will be used to calculate the parking tariff charges.

9.4 You can **Pre-Book** your car parking session for a specific amount of time (the **“Booking Period”**) at the Car Park either online at [www.mediacityuk.co.uk](http://www.mediacityuk.co.uk) by downloading the MediaCity App or by telephone through our Customer Contact Centre on 0161 855 6430. Upon making the booking, you will receive a unique booking reference number and a booking confirmation. When using the Car Park, you must follow the instructions on the booking confirmation issued to you and/or the instructions displayed and in force at the nominated Car Park or on our website. You should be aware that you will be required to pay any additional charge due as a result of your vehicle’s actual time in the Car Park exceeding the Booking Period (and any credit surcharge) by credit/debit card, prior to exiting the Car Park.

9.5 If you are a **Season Ticket Holder** the following applies, depending on the type of Car Park and the operating equipment at the specific Car Park:

- a) At the Car Park, the ANPR technology will automatically recognise your VRM and register the fact that you are a Season Ticket Holder when you enter and leave the Car Park and in such circumstances you may not need to present and/or display your season ticket.

9.6 We reserve the right to change payment methods from time to time in our Car Parks and you should check all signs and notices in the Car Park for further information about the payment methods available in a specific Car Park.

9.7 If you delay exiting the Car Park once you have paid the fee due for the time parked, you may incur additional charges.

9.8 For the avoidance of doubt, sales or credit card receipts are not parking tickets and will not be accepted as evidence of payment, unless accompanied by a valid parking ticket. Failure to comply with the payment requirements set out in

this clause 9, as applicable, will result in a Parking Charge being issued in accordance with clause 5 (Parking Contraventions) of these Terms.

9.9 Subject to our procedures in place from time to time in relation to a failure to pay for parking, we reserve the right to refuse to lift the fixed barrier at the Car Park to allow the release of any vehicle for which payment has not been received in accordance with the appropriate payment method, including (but not limited to) where your credit/debit card has been declined, you have failed to pay by the required time limit, and/or you have failed to produce a valid and current parking ticket, or season ticket.

9.10 If you cannot produce your parking ticket, or season ticket (as required and dependent upon the relevant payment method available at the Car Park) on leaving the Car Park you will be charged the full 24 hourly rate for each 24 hour period or part period during which we determine that your vehicle has been in the Car Park. We may also charge an administration fee in respect of our time and costs incurred in dealing with any such non-payment.

9.11 No refund will be made for any parking tariff payments paid in respect of a lost ticket, or season ticket which are subsequently produced and in no circumstances can any refund be given for parking tariff payments without proof of payment.

## **10 Access and re-location of vehicles**

10.1 We reserve the right to refuse the admission of any vehicle to the Car Park for any reason whatsoever.

10.2 We reserve the right to move vehicles within the Car Park using whatever method we consider appropriate (even if, as a consequence, damage is caused to your vehicle) to the extent that is reasonably necessary for the purposes of safety to persons or property, or to avoid obstruction at the Car Park.

10.3 We additionally reserve the right to use a lawful authority to remove any vehicle to another reasonably convenient car park, whether or not operated by us, where the Car Park has to be unexpectedly closed permanently or temporarily, either in whole or in part, due to a matter outside of our control, or if the Car Park has to be evacuated in an emergency.

10.4 To the extent that it is necessary to do so in the exercise of the rights conferred upon us in this clause 11, we reserve the right to drive or otherwise take your vehicle onto a public highway. In doing so we will take reasonable care of the vehicle.

## **11 Abandoned vehicles**

11.1 We are entitled to regard as abandoned any vehicle left in the Car Park for more than 28 days without prior notification and which is not known by us to be covered by a current valid season or other ticket or booking.

11.2 We reserve the rights to engage and/or permit a lawful authority to remove (or where we are unable to identify the current legal registered keeper of the vehicle, to take steps ourselves to remove) and to dispose of as waste or sell any abandoned vehicle. Before proceeding with the disposal or sale of abandoned vehicles we will:

- a) refer the matter to the appropriate authorities, which may include the local police and the DVLA; and
- b) affix a notice to the vehicle at least 7 days before the date on which we propose to remove the vehicle stating that the vehicle will be removed and sold when that period expires.

11.3 Abandoned vehicles will be disposed of as waste or sold by auction. Where sold by us, the proceeds of sale will be applied in and towards satisfaction of all sums owing to us together with the expenses of sale and our reasonable storage and removal costs for the period during which the vehicle is in our possession.

11.4 Any balance of the sale proceeds remaining after satisfaction of any sums owing will be held by us on behalf of the registered keeper of the vehicle and paid over on proof of entitlement.

## 12 **Prohibited activities**

12.1 You shall not:
