WHAT IS FLEX?

Join the ultimate hub for trendsetters, tech gurus, and innovators alike.

When work is more than just a job, you need more than just an office. Whether your customers are from your local community or you serve global clients, you need face-to-face meets, virtual get-togethers and everything in between.

You're always in control with a flexible membership plan at flex, where the little things are taken care of, so the big things run smoothly. Enjoy being part of a supportive and collaborative community, with a proactive service, where everything you need is at your fingertips.

02

SUPPORTIVE

We're here to worry about the little things. You'll get to know us as part of your team, that person you can go to knowing we'll have the answer.

Who are Flex?

“ THEY MAKE A REAL EFFORT TO CELEBRATE THE EVERYDAY... LITTLE TOUCHES THAT JUST MAKE IT A SPECIAL PLACE TO WORK ”

COMMUNITY

Your workspace can be as private as you want but you've always got the community around. Our workspaces are designed to create an atmosphere where you can just bump into someone in the corridor, have a little chat and build strong professional relationships.

The community is one of the many ways we help you grow.

**“ HAVING PEOPLE AROUND WHO
JUST KNOW WHAT'S GOING ON...
WE FEEL AT HOME HERE ”**

NURTURING

To create a growing and dynamic place it's down to us to make the day to day special. We like to create a real buzz whether that is through organising yoga and well-being events or decorating the office to celebrate all occasions.

We understand it's these little things that can help bring a smile and create a positive environment.

BROADBAND FROM DOCK10

The MediaCity Synchronous Broadband network goes far beyond the average internet service. Specially designed for organisations operating in media, our Platinum WiredScore accredited fibre broadband service is one of the very best in the UK. Here's what makes it so special:

High upload speeds

Working in a media focused environment, you need to upload as fast as you download. All our connections are Synchronous Broadband, so your upload speeds are always as fast as your download speeds.

Low contention ratio

Guaranteed high-speed internet around the clock is essential. This is why our broadband has the lowest contention ratio of any service provider. Nothing is going to slow you down.

Complete Flexibility

We let you scale up or down each month as your requirements change, all within a rolling contract so you can cancel anytime you need.

On-site support

We operate one of the most robust networks in the country, so if you have a problem, our team of on-site engineers and dedicated support desk will get you back online - fast.

Best in class

We have a Platinum WiredScore accreditation, this means that our buildings have best-in-class internet infrastructure enabling exceptional digital connectivity.

Flex has a free of charge 30Mbps wireless broadband included within its desk rate.

Need more speed? Go for one of our additional packages with NO set up fee:

50 Mbps	→	£55 pcm ^{+VAT}
100 Mbps	→	£86 pcm ^{+VAT}
200 Mbps	→	£150 pcm ^{+VAT}

Flex also offers the following:

Telephone headsets with direct line at £29.99 (£24.99 per additional headset)

Maintenance support (price varies)

Public IP at £6.99 Rename your SSID for (£5 one off charge)

Comms room rack storage (POA)

Car Parking Available (POA)
